

REMOTE, FRESH RED MEAT DISPLAY - CORNER CONNECTION MODEL: MCRU52WC

PRO-KOLD

Product features

- Double glass on the sides: Greater visibility from different angles, ideal for strategic points of sale that require visual impact.
- Equipped with one (1) hinged, swing glass door for easy access to display deck.
- Storage: Forced air evaporator in storage that guarantees uniform cold distribution.
- Modular corner design: Its corner format allows it to be connected to other display cases, optimizing space and creating a continuous and uniform display. Ideal for maximizing product visibility in corners or key points of the business.
- Frontal bumper strategically placed to assist in avoiding accidents and damage to unit.
- White foil interior finish: Reflects light and gives a clean image, highlighting the freshness of the product.
- The corner display case does not have its own cooling system; it is designed exclusively to be connected to linear display cases (compatible) and expand the display space.
